

# Kodchawan Doungsong

***MSc Public Health and Health Promotion***

***Start Date: Sept 2021      Anticipated End Date: Sept 2022***

***Supervisors: Carys Hogan***

## **My background**

I graduated with a Doctor of Pharmacy from Chiang Mai University. I have work experience as a pharmacist for three years. I have published research on the association between medication adherence and cardiovascular outcomes among acute coronary syndrome patients.

## **My research**

Dissertation: A scoping review of dementia care models in low- to middle-income countries (LMICs) and how could these be applied to Thailand.

## **Contact**
